

Working sources

41 institutional sources, each one tested and ingesting

Every source in this document was created in Ma'at and polled with the readers production uses. The figure on each row is what that poll brought in. Type the values as printed and the source connects on its first poll.

THE NINE TO START WITH

GLOBAL

UN News	54 documents, 54 passages
World Health Organization	25 documents, 51 passages
WHO Regional Office for Africa	16 documents, 16 passages

NIGERIA

National Primary Health Care Development Agency	10 documents, 31 passages
Federal Ministry of Health and Social Welfare	10 documents, 26 passages
Federal Ministry of Agriculture and Food Security	10 documents, 26 passages

KENYA

Kenya Bureau of Standards	10 documents, 139 passages
Kenya Law	100 documents, 100 passages
Kenya Red Cross Society	10 documents, 33 passages

Global

They are first because they brought in the most on one poll. Everything after them works too, and any of it can be added in the same few seconds.

Bodies whose word applies anywhere. Configured with no country, so every claim can reach them. 4 working.

1 UN News

RSS or Atom feed

NAME	UN News		
WHAT IT PUBLISHES	Humanitarian
